Commercial Loan Analyst

Commercial Loan Officer

NorState Federal Credit Union is seeking an individual with a strong accounting background to join its rapidly growing commercial loan department. The successful candidate must be knowledgeable with Excel and Word, have an accounting background, consumer and real estate lending, as well as 2 years of commercial lending experience. Duties will include financial analysis of commercial loans, process commercial loans, prepare commercial loan presentations and clerical duties. The ability to work well in a team setting and strong communication skills are required. NorState offers a very competitive salary and benefits package.
