LET'S MAKE A SNOWMAN!!!!

MADAWASKA – When NorState's Marketing Director Denise Cote told her co-worker that the fresh snowfall in mid-December was perfect for making a snowman, and she wanted to be out there playing in the snow, her co-worker VP Branch Admin Steff Gagne said, "Let's do it!"

Soon the thought spread throughout the building and everyone wanted in on the fun.

It soon became a competition between departments to see who could be so motivated and creative, and almost all employees took 5 or 10 minutes of their personal time and put their mittens on and pitched in. By 2:00 p.m., three individual departments had really put some thought and effort into their creations.

Member Services had created a darling snowwoman who was more than happy to showcase NorState's Visa debit card.

The commercial lending and loan officers, along with card services decorated a gentle giant snowman who promoted the Holiday Dough loan and finally, the downstairs support crew made up of marketing, accounting and collections won the Best of Show with their Membership family and dog.

NorState FCU employees work hard in bring the best products and services to its members daily. Sometimes, you just have to look outside and find the child in you, and go get in the spirit of the season.

Pictured with the **Snow** family & their dog, is Jackie Lebel, Elaine Russell, Karen Bourgoin, Krystle Hebert, Denise Cote, Adam Kavanagh, Christine Cyr and kneeling is Steff Gagne and Trokon Khoury.

Have a 'snow-filled' Happy New Year!
