**MERRY CHRISTMAS** - The holiday spirit was abundant during NorState Federal Credit Union's holiday open house on Friday, December 18<sup>th</sup>. The good cheer transmitted throughout all six branches and the communities they serve. Pictured here are Madawaska's meeter/greeters, Augie Parent and Karen Colins. Not only were they dressed exactly a like, they are the wonderful voices of holiday cheer when members enter the credit union or call throughout the season, wishing everyone a Merry Christmas.
