CHEST FULL OF HOPE – How lucky is Janie Marquis from Madawaska? She was the lucky draw for a beautiful handcrafted hope chest designed by Clifford Cyr of Acadian Cabinets & Woodworks of Madawaska. Cliff is a member of the Board of Directors at NorState FCU and fabricated two beautiful chests for drawings held throughout the year at the credit union to raise funds for charitable causes. This chest was the draw for this summer's parade NORSTATE CASH CAB. Parade goes throughout Aroostook's many festival parades were given \$5 certificates to either win instant \$5 cash prizes or to sign up for a lucky drawing. Karen Collins (left) congratulates Janie on her winning.
